MEMORANDUM

TO: Members of the General Assembly

FROM: Terrence D. Sullivan, Director of Research T.D.S.

RE: Legislative Commissions, Non-Standing Legislative Committees and Interim Studies

This document contains a listing of all permanent legislative commissions and non-standing committees and all studies authorized or directed to be undertaken by the 1995 General Assembly (First Session, 1995). Ms. Sue Floyd and Ms. DeAnne Mangum of this Division, working with other legislative staff and executive branch employees, compiled this publication.

The listing of studies includes not only studies undertaken by legislative bodies, but also those directed to be undertaken by other agencies of State government. The information contained within this publication is arranged alphabetically by subject matter. The publication includes an alphabetical table of contents at the front and an alphabetical index at the end.

Each listing contains:

1. References to the legal authority of the commission, committee, or study;
2. If a commission or committee, the membership appointed prior to January 31, 1996, and staff with their names, addresses and telephone number;
3. If a study, who or what is to make the report and when it is to be made and to whom; and
4. If a study by a State agency, the contact person.

For a membership of other existing permanent executive and judicial agencies, please contact Ms. Cathy Martin, our Legislative Librarian, at (919) 733-9390 or Ms. Jan Parker, the Governor's Director of Boards and Commissions, at (919) 715-0966.

Subject:	**AGRICULTURAL WASTE, BLUE RIBBON STUDY COMMISSION ON**
Authority:	SL95-542, Part IV, HB 898
Report by:	Blue Ribbon Study Commission on Agricultural Waste
Report to:	General Assembly

Date: Final report to the 1996 Regular Session of the 1995 General Assembly prior to its convening

Scope: To study the effect of agriculture waste on groundwater, drinking water, and air quality, and any other environmental impacts of agriculture waste; methods of disposing of and managing agriculture waste currently in use; methods of disposing of and managing agriculture waste that have fewer adverse impacts than those currently in use; the economic impact of agriculture waste in areas where there is a high concentration of agriculture waste; implementation of the recommendations contained in the Swine Odor Task Force reports and any recommendations that result from the federally funded study of the potential for groundwater contamination from animal waste lagoons currently being conducted by DEHNR; general economic impact of agriculture industries on areas with a high concentration of agriculture waste; coordination of regulatory activities and other activities between federal, State, and local government agencies; and identification of beneficial uses of agriculture waste.

Subject: **DRUG LAW ENFORCEMENT GRANT LEGISLATIVE REVIEW**
Authority: SL91-689, Sec. 73, HB 83; SL93-900, Sec. 123, HB 1340
Report by: Section 1303(4) of the Omnibus Crime Control and Safe Streets Act of 1968 provides that State applications for drug law enforcement grants are subject to review by the State legislature or its designated body.
Report to: State applications for grants under the State and Local Law Enforcement Assistance Act of 1986, Part M of the Omnibus Crime Control and Safe Streets Act of 1968 as enacted by Subtitle K of P.L. 99-570, the Anti-Drug Abuse Act of 1986, are subject to review by the Joint Legislative Commission on Governmental Operations if at the time of review the General Assembly is not in session. Any State agency submitting a grant application for review shall also report to the House Appropriations Subcommittee on Justice and Public Safety and to the Senate Appropriations Committee on Justice and Public Safety with regard to the grant.

Date: Unless a State statute provides a different forum for review where a federal law or regulation provides that a State application for a grant must be reviewed by the State legislature or its designated body and at the time of the review the General Assembly is not in session, that application shall be reviewed by the Joint Legislative Commission on Governmental Operations. Any State agency submitting a grant application for review shall also report to the House Appropriations Subcommittee on Justice and Public Safety and to the Senate Appropriations Committee on Justice and Public Safety with regard to the grant.

Subject: **EARLY INTERVENTION SYSTEM FOR ELIGIBLE INFANTS AND TODDLERS**
Authority: GS 143B-179.5; SL93-487, SB 544

Date: The State Board of Education shall report annually waivers granted with regard to statutes, policies, and regulations to the Joint Legislative Education Oversight Committee. Each participating local school administrative unit shall submit an annual report one year after the local school administrative unit has awarded a contract, and every year thereafter, to the General Assembly, the Joint Legislative Education Oversight Committee, the Superintendent of Public Instruction, and the State Board of Education. The State Board of Education shall conduct an independent evaluation of each Genesis school and the overall project. The State Board of Education shall report the results of the evaluation to the General Assembly and the Joint Legislative Education Oversight Committee as soon as possible but no later than 1/15/98.

Subject: **EDUCATION--REGIONAL PROGRAMS PROGRESS**
Authority: SL93-769, SB 1505, §18
Report by: State Board of Community Colleges
Report to: Joint Legislative Education Oversight Committee
Date: Quarterly

Subject: **EDUCATION--SCHOOL CAPITAL CONSTRUCTION STUDY COMMISSION**
Authority: SL95-542, Part XIV, HB 898
Report by: School Capital Construction Study Commission
Report to: General Assembly
Date: Shall submit progress report by January 15, 1996; final report by April 15, 1996
Scope: To conduct a comprehensive study of public school facilities in the State and shall: identify the public school facility needs of the State; develop criteria for ranking the identified public school facility needs in priority order that take into consideration factors that will ensure the ranking is equitable; identify the federal, State, and local funds currently available

to meet these needs and analyze how they are being utilized; examine the roles of State and counties in providing funds to meet these needs; explore various methods of governmental financing in meeting these needs; evaluate how current formulas in low-wealth counties and small school systems and the factors considered in these formulas affect the counties' ability to meet needs; consider the utility, effectiveness, and efficiency of developing model designs that are energy-efficient and technologically adequate; develop a long-term plan for funding; and consider any other relevant issues.
